## **"WHY DOESN'T SOMEBODY DO SOMETHING?"**

Did you ever utter those words about any situation, or event, or problem? Did you ever wonder when someone was going to take a stand publicly on an issue you really cared about?

Well, it is time once again for somebody to DO something, and that somebody is YOU!

In just 10 days the class action lawsuit "Veterans For Common Sense et al. v Peake" is being heard. The date, time and place are:

Wednesday, August 12, 2009 ~ 0930

James R. Browning US Courthouse  
United States Court of Appeals for the Ninth Circuit  
95 Seventh St.  
San Francisco, CA 94103

The court has granted permission to C-Span to film the proceedings in this case for later broadcast. **We need to have a good turnout!** We have come a long way, and many people have gone to bat for us in this endeavor. If we don't show up to support our own cause and our lawyers, C-Span will show the nation our lack of interest. If we don't care, why should anyone else give a damn?

We have hundreds of members within easy driving distance of San Francisco. Get in your car and get there, please!

We have members all over the country who may have friends or know fellow veterans in the San Francisco area. Get them to attend and take fellow veterans with them, please!

If you are travelling in the vicinity on vacation, or passing through San Francisco on your way to Honolulu, Sidney, Singapore, Tokyo, Kabul or any other offshore location, take a few hours delay and show up in the courtroom, please!

**GET OUT THERE!**

**DON'T JUST SIT THERE; DO SOMETHING  
IMPORTANT!**
